

# HEALTH SCREENINGS

*Employees and their respective spouses who are currently enrolled in the State of Wisconsin and Wisconsin Public Employers Group Health Insurance Programs are eligible for health screenings. Those not enrolled in the State of Wisconsin and Wisconsin Public Employers Group Health Insurance Programs are not eligible to participate in the health screening program.*

## **Do you know your numbers?**

Making the choice to get a health screening is a great way to get a snapshot of your current health status.

**Your health screening results must be submitted by October 9th, 2020 to receive credit toward your Well Wisconsin incentive.**

**There are two options to complete your 2020 health screening:**

**On-Site Health Screening:** StayWell has partnered with Quest Diagnostics to provide on-site health screenings available at employer locations around the state, at no charge to you. You'll generally be in and out in 20 minutes or less. Your results will then be automatically uploaded to your StayWell health assessment in approximately 10 business days.

To register, navigate to your My StayWell Platform dashboard and select **Schedule Now** from the biometric health screening carousel slide on the dashboard. You will automatically be logged into the Quest appointment scheduler. Search by zip code to find a screening event near you.

A complete list of scheduled health screenings can be found [here](#). Don't see a health screening event at your location? Ask your employer about scheduling an on-site health screening.

Please Note: Quest Diagnostics is implementing the following safety enhancements at on-site events due to COVID-19:

- Participants are encouraged to wear masks to their appointment
- The screening room will be limited to 10 people at a time
- Registration clerks will manage the event flow and sanitize the registration station throughout the event
- Screening providers will cleanse and sanitize supplies before and during the event, including high touch items between participants
- Screening providers will wear masks and gloves from the time of arrival through the event
- Screening providers will have temperature checks prior to the event
  - If the screening provider has a temperature above 100.4°F, they will not work the event
- All tables will be spaced 8-10 feet apart in the screening room
- Spaces will be marked on the floor to ensure participants social distance while they wait

**Health Care Provider Form:** If you already see your health care provider regularly and are up to date with your preventive care, complete and submit the Health Care Provider Form. Read the cover letter closely and confirm with your healthcare and health insurance provider prior to the appointment if out of pocket costs will apply.

To download and print your form, navigate to your My StayWell Platform dashboard and click on the **Health Care Provider Form** link within the dashboard carousel.

***Submit your completed Health Care Provider Form using one of the following methods:***

- **Mail:** US Wellness 20400 Observation Drive #100 Germantown, MD 20876
- **Fax:** 240-477-1521
- **Secure Upload:** <https://wellwi.uswellness.com/offsite>
